

Dear Clients and Business Partners,

REINSTATEMENT OF FULL RSPO-ASI ACCREDITATION STATUS

Reference to the above, we are pleased to announce that the Accreditation Services International (ASI) has officially lifted our suspension status under the RSPO scheme with effect June 26th 2016.

In the past six months, we have worked closely with both ASI and RSPO in improving our compliance assessment procedures. The management would like to extend our deepest gratitude to first, our clients for your continued support, understanding and patience as we worked towards lifting our suspension.

We would also like to thank both the ASI and RSPO for their guidance and energy spent in allowing us the required time to implement all the necessary corrective actions, and in ensuring we have continued to meet all the standards set forth under the RSPO-ASI accreditation requirements for a certification body.

Last, we thank all our colleagues, from the auditors to the administrative support personnel to senior management in Mutuagung, for their hard-work and dedication in ensuring our continued commitment to the RSPO scheme and its members as a fully authorized certification body.

For now, the Accreditation Services International (ASI) has updated on their website with regards to our new status which can be found through this link: http://www.accreditation-services.com/archives/certification_bodies/pt-mutuagung-lestari

We look forward to resuming our full RSPO accreditation activities and wishing all our clients, business partners, and colleagues a safe Ramadan month ahead.
Thank you.

Yours sincerely,

Arifin Lambaga
President Director
